CONVEYANCE OF EASEMENT
(STORM WATERS)

PROJECT NUMBER: _____

FOR A VALUABLE CONSIDERATION, receipt of which is hereby acknowledged,

_____,
authorized to do business in the State of California (Grantor), does hereby grant, convey, and
transfer to _____

(Grantee) an easement for the acceptance of storm waters in, over, under, along, and across
certain real property described in Exhibit A, attached hereto and incorporated herein by this
reference (Property), which Property and easement are as depicted in Exhibit B, attached hereto
and incorporated herein by this reference. The said permanent easement granted hereby shall be
utilized by Grantee and its successors in interest for the discharge, disposal, and dispersal of such
storm waters upon Property, which storm waters emanate from certain other real properties
located in the vicinity and/or adjacent of Property.
