

**Sandbags to protect against flooding from rains are available at certain Ventura County Fire Department (VCFD) stations in the Camarillo/Somis area, including:**

- **Station 50**            **near the Airport**
- **Station 52**            **Mission Oaks**
- **Station 54**            **on Pickwick**
- **Station 55**            **Las Posas estates area**
- **Station 57**            **Somis**

**Priority will be given to residents in the burn-affected areas of Camarillo Springs and CSUCI. VCFD policy also limits the number of sandbags to 35 per households.**

**Sand is also available at each of these stations, though please call 371-1111 to find out about specific availability.**
