- II. RESOLUTION EXTENDING THE PROCLAMATION OF A LOCAL EMERGENCY

City Manager Feng stated the Government Code requires the City Council review the need for continuing the local emergency at least once every 30 days until the local emergency is terminated. Since the initial incident, there have been additional rains which create a risk of further impacts to homes and other properties in the area. He thanked the residents, staff, police, fire and DART volunteers for their work during the evacuations and rains this week.

Barbara Williams, President of the Springs Home Owners Association, expressed gratitude on behalf of the residents for the City's assistance during the recent rain and their efforts to apply for FEMA funding.

Councilmember Craven moved, seconded by Councilmember Morgan, to adopt Resolution No. 2014-121 extending the proclamation of local emergency.

Motion carried 5-0.
