## Pool/Spa Demolition

- 1<sup>st</sup> obtain a Zone Clearance from Community Development.
- Then Building and Safety will issue a permit for the Pool and/or Spa Demolition. The permit will cost \$154.30. Follow the instructions below:
- All utilities shall be disconnected and capped off at their source.
- Create openings in bottom for drainage. Inspection is required at this time; call (805) 388-5383.
- Fill bottom of structure with approximately 2 feet of self-compacting gravel or small concrete chunks (baseball size), no rebar, followed by 2 feet of backfill material.
- An Uncertified Fill Notice will be recorded on the property unless a Compaction Report and Rough Grade Certification by a Soils Engineer is submitted to Public Works. Contact Public Works at (805) 388-5340 for details.
- Call for Final Inspection (805) 388-5383.
