Department of Community Development
SAMPLE SITE PLAN

Instructions: Please prepare a plot plan for your project on an 8 ½" x 11" sheet of paper to accurately depict all proposed and existing buildings, distances between those structures, setbacks to property lines, proposed utility lines (above and below ground), streets, slopes, and other pertinent features. Include a north arrow, name of property owner, address, and phone number.

Refer to the Camarillo zoning code for applicable development standards and setback requirements. If you need assistance, please contact the Department of Community Development at 805.388.5360.
